## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

We would like to extend a welcome to all Hamlin Exes and hope that you have an enjoyable time being back home this weekend. As is the custom, a great number of people have gone all out to make your stay most enjoyable.

Other than a few exceptions, we have always had a very high regard for the service offered by our telephone company, Southwestern Bell. We say a few exceptions because there are times when it is almost impossible to get a long distance operator. But fortunately this situation seems to be getting better.

But while we have this admiration for the phone company, we have at the same time some misgivings about their offbeat cousin--the yellow pages.

The average subscriber does not ever come in contact with these high pressure salesmen, but most businessmen can tell you their tactics are something else.

When we were contacted recently about the new directory we were informed that the rates would be higher this year because they were printing 1500 more directories this year. We asked at the time what they were going to do with all of them but did not get much of an answer.

Then last week we carried a story stating that 2130 directories would be mailed here in Hamlin. This leaves us wondering again why 1500 more directories.

If they had told us that costs were up and they just had to increase the rates to make up for this we could understand, but we just don't believe they mailed only 630 last year.

Tuesday, Nov. 3, is another important day in the life of the American voter. This is the day when he is asked to pay a small price for the many freedoms that he enjoys. And this is really a very small price when you consider how little time it takes to go to the polls and vote.

There are nine contested races on the ballot Tuesday as well as seven amendments to our state constitution. It is important that these decisions be made by the majority of the people rather than just by a few.

While we are not nearly so concerned with how you vote as we are that you vote, we feel that as a newspaper we have an obligation to state our views on the election.

We would recommend that our readers vote a straight Democratic ticket Tuesday for a number of reasons. The first of which is that we feel that Texas is a long way from being a Two-Party state and as long as the state Democratic Party is in the hands of moderates and conservatives we feel that they can do a better job for us.

With Democrats holding the vast majority of offices within the state we can see no good coming from trying to put a Republican office holder at or near the top of this state.

While we have never seen the wisdom in blindly voting for a party, we do not feel that the Republicans are offering any stronger candidates than their Democratic opponents.

As for the seven amendments we view some of them with mixed emotions but do not feel that any are so important that our state government will rise or fall on the strength of their passage.

The only issue on the ballot that seems to be drawing any real interest is Amendment No. 2 which would permit local option elections on mixed drinks. With private clubs scattered all over the state this question even seems to lose some of its importance. But this is one of those issues where a person must vote not so much by reason as by conviction.

The other six amendments would likely do more good than harm and probably should be passed.

HOMECOMING QUEEN NOMINEES--Candidates for Homecoming Queen nominated by the Senior Class are Sharon Ford, standing, and from left, Marsha Hester, Brenda Moffett and Toni Casey, all seniors. ## Contested Races, Amendments To Be Decided In Voting Tues.

Jones County voters will be voting on nine contested races and seven Constitutional Amendments Tuesday when they vote in the general election. Both Hamlin boxes will be open with voters in the East Box voting at the City Hall and the West Box voters casting their votes at the Hamlin Public School Gymnasium, 245 Southwest Second.

For the first time the Republican Party will have a candidate for State Representative in this district with Marvin W. Sapaugh opposing Democrat Frank W. Calhoun.

In other contested races Democratic nominee Lloyd Bentsen will be opposed by George Bush for U. S. Senator; Preston Smith will be opposed by Republican Paul Eggers for Governor; and Ben Barnes will be opposed by Byron Fullerton in his bid for re-election.

Five other Democratic nominees for state-wide races

are to be contested by Republicans with Crawford C. Martin opposed by Edward M. Yturri for Attorney General; Robert S. Calvert opposed by S. L. Abbott for Comptroller; Jesse James by Robert F. Koenneke for Treasurer; Bob Armstrong by Harry Trippett for Commissioner of General Land Office; and John C. White by Daniel C. Heath for Commissioner of Agriculture.

The seven amendments as they will appear on the ballot are:

No. 1. "The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances."

No. 2. "Repeal of the prohibition against open salons found in Section 20, Article XVI of the Constitution of the State of Texas."

No. 3. "The constitutional amendment to authorize the Legislature to provide by law for the establishment of

a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such land to support the raising of livestock and or to produce farm and forest crops."

No. 5. "The constitutional amendment authorizing any county, on the vote of a majority of its qualified property taxpayers electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

No. 6. "The constitutional amendment increasing the value of the homestead which is exempt from forced sale."

No. 7. "The constitutional amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county."

### Man Hospitalized After Shooting Here Saturday

James Washington, 66, was rushed to Hendrick Memorial Hospital Saturday evening after receiving emergency treatment at Hamlin Memorial Hospital. He was reported in good condition Tuesday after undergoing surgery Sunday.

Washington suffered a gunshot wound in the face received following an argument at the home of Bertha Fay Houston in northeast Hamlin. The incident was reported to the Hamlin Police Department at 8:20 p.m.

The case is under investigation by Hamlin Police Chief Bryan Wasson and Jones County Sheriff Woodrow Simmons.

### No Classes Monday

Students in Hamlin Public Schools will not have to attend classes here Monday, Nov. 2. Teachers will be in Rule to attend the inservice session.

## Pied Pipers to Host Anson Tigers Friday

The Pied Pipers will host the Anson Tigers here Friday evening in their annual Homecoming game. Kickoff time is 7:30. Both teams will be looking for their first district win, although Anson owns a tie with Stamford.

After two weeks of district play Haskell and Rotan remain in a tie for the lead with 2-0 records. They are followed by Merkel with a 1-1 record and then Stamford and Anson with 0-1-1 records and then Hamlin with a 0-2 record.

### Hunter Safety School to Be Given Here Wednesday

The Law Enforcement Officers Association of Texas will sponsor a Hunter Safety School Wednesday, Nov. 4, at the Hamlin High School Cafeteria.

The Hamlin Police Department will be co-sponsor. The class will be from 6:00 p.m. to 9:00 p.m. It has been approved by the Colorado Game and Fish Commission for the benefit of anyone who plans on hunting in Colorado. A hunting license can not be obtained in that state without attending such a school.

A certificate suitable for framing will be issued as well as a billfold size certificate. Instructors for the course will be Game Management Officers Robert Wood and Curtis Jones of the Texas Parks and Wildlife Department in Abilene.

This date was the only time that the instructors could conduct the course.

### Eighth Grade Downs Stamford Tuesday, 52-20

The Hamlin Eighth Grade football team waxed the Stamford Eighth Grade Tuesday evening, 52-20, in a game played in Stamford.

Johnny Jones led the scoring for Hamlin with four touchdowns and one two-point conversion. Steve Evans tallied two TD's and a conversion and Luke Reynolds scored on a pass interception. Johnny Lee added the other 2 point conversion and Hamlin picked up a two-point safety to round out the scoring with Luciano Chavez making the tackle in the end zone.

Tuesday evening the Seventh and Eighth grade teams will close out the season by hosting Haskell here

This Friday while Anson and Hamlin are playing here Merkel will be at Haskell and Stamford at Rotan.

Plagued by injuries to their quarterbacks, the Tigers are using their fourth one of the season. But scouting reports indicate that Charles Dalbert, who played that position last week against Haskell, is probably their best. Operating from the "Y" formation, Dalbert does a good job of running and faking.

Running in the backfield with Dalbert will be Sid Middlebrook, 160 pounds, Mack Rye, 153 pounds, and Ramiro Ramos 132 pounds.

Probable starters in the line will be Jay Cromeens, 134 pounds, and David Langford, 163 pounds at the end positions; Randy Simpson, 146 pounds, and Warren Dozier, 185 pounds, at the tackle positions; Larry Hall, 200 pounds, and Gary Bouton, 195 pounds at the guard positions; and Randy Lepard, 187 pounds, at center.

The Hamlin Freshmen have an open date this week and the two Junior High teams will close out their season Tuesday when they host Haskell here at 5:30 and 7.

### Mrs. H. M. Barrow Resigns As City Secretary Thursday

Mrs. H. M. Barrow, secretary-treasurer and tax assessor collector for the City of Hamlin for the past 25 years, submitted her resignation to the mayor and City Council Thursday.

Her resignation is to be effective Nov. 15.

### Transportation for Voters Offered

Transportation to the polls on Nov. 3 will be furnished for those who need it by members of North Central Baptist Church, according to the pastor, Rev. Harold Fleming.

Anyone who needs a ride to and from the polls is urged to call the church phone number, 576-2226.

### Turkey Shoot Set

The Hamlin Jaycees with Harvey Lawlis as chairman will hold a Turkey Shoot Sunday at 1 p.m. at the old Airport on the Aspermont Highway.

Another Turkey Shoot will be held Nov. 22.

FOOTBALL CAPTAINS--Football captains elected this week for the Hamlin High School varsity are, from left, Charles Sellers, Greg Perrin and Edward Johnson. Friday evening they will represent the team in presenting the Football Sweetheart during halftime activities of the Anson-Hamlin game.

SWEETHEART NOMINEES--Marsha Hester, left, and Shelly Holtz, nominees for Football Sweetheart, will be presented during halftime activities of the Anson-Hamlin game Friday evening. Selection of the Football Sweetheart is by vote of the 1970 Piper varsity. Marsha, a senior, is the daughter of Mr. and Mrs. J. B. Hester. SOUVENIRS FROM AFRICA—Mrs. E. D. Perrin, right, speaker for the Friday afternoon meeting of Woman's Literary Club, shows souvenirs from Africa to club members, from left, Mrs. S. L. Calhoun, Mrs. Donald Young, club president; and Mrs. Earl Brown, program director.

## Mrs. E. D. Perrin Presents Literary Club Program

Mrs. E. D. Perrin presented a program on "Traveling in Africa" using color slides and narration for members of the Woman's Literary Club and guests at the Friday afternoon meeting in the Fellowship Hall of First United Methodist Church.

Mrs. Perrin and her husband, a Hamlin physician, attended a medical convention in North Africa where Mrs. Perrin had served as a nurse during World War II for two and one half years. She went there in November, 1942.

In showing the slides of Kenya, she pointed out the contrast of the modern progressive cities and within a 20-minute drive there were villages of natives living as primitively as all preceding generations.

Mrs. Earl Brown, program director, introduced the guest speaker.

Mrs. L. H. McBride gave the invocation. Mrs. Donald Young, president presided.

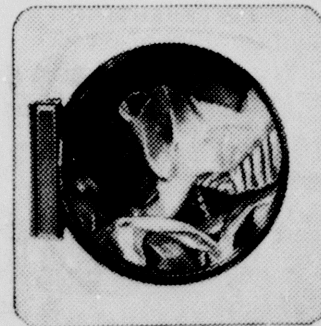

The next meeting will be Nov. 6 in the home of Mrs. A. A. Hackley. Rep. Frank Calhoun will be the guest speaker on "Modern Trends in Education."

## Eastern Star Sets Meeting Tuesday

Hamlin Chapter No. 460 Order of the Eastern Star will meet in a regular stated meeting Tuesday at 7:30 p.m.

A salad supper will be served at 6:30 preceding the meeting, according to Mrs. C. J. Sewell, worthy matron. All members are urged to attend.

## Wrinkles are a vicious cycle.

In some dryers the heat that dries your clothes also bakes wrinkles into permanent press.

But you can buy a new gas dryer with a permanent press cool-down cycle that turns off the heat and cools off your clothes.

That means modern gas dryers won't add wrinkles to your wash and extra ironing to your work load. Because they have a cycle that keeps wrinkles from becoming vicious.

# Why Preston Smith?

Preston Smith believes in working hard. For you. And that's why he's doing such a good job as Governor of Texas.

When Preston Smith entered public service, he didn't start by asking Texans to elect him Governor. That would have been foolish, because being Governor carries great responsibilities. And it demands the clear, steady judgement that comes only from experience.

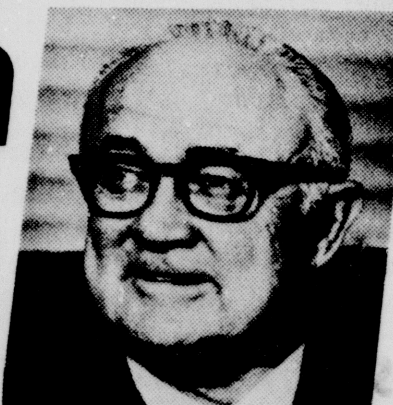

Preston Smith had the good common sense to work his way up—gaining insight into how our state government functions.

He served six years each—as State Representative . . . as State Senator . . . and as Lieutenant Governor. Only then, when he felt fully qualified, did he seek the Office of Governor.

Now, after two years he has expanded the duties of the Governor's Office to better serve all the people of our State.

Yes, Preston Smith believes in hard work. For 20 years, he's been working for Texas—doing a good job. You can help keep him as Governor. Vote. Vote for Preston Smith on Tuesday, Nov. 3.

**Preston Smith**  
is doing a good job. Let's keep him working for Texas.

GIRLS COMPARE MICE—Yolanda Solis, left, holds the mouse that has received a well balanced diet while Anna Thamez shows the size of one of the animals that has had the same diet but without milk. The experiment will be concluded this week by the Homemaking class.

Homemaking Class Conducts Nutrition Experiment Here

The sixth period Homemaking II Foods class is conducting a nutrition experiment using four white mice. The experiment is titled the "Value of Milk" and contrasts a desirable diet which includes milk against a diet of the same foods but no milk. The experiment is in the sixth week and will be concluded Nov. 3. The two white mice receiving milk with their diets have gained approximately 126 grams each in five weeks. The two white mice which do not receive milk weighed approximately the same at the beginning of the experiment and have gained approximately 55 grams each.

The white mice were furnished free of charge to the Homemaking Department by the American Dairy Council. The students each day clean

the cages and feed the rats. The students in the class include Hazel Brown, Paula Herrera, Debi Meyner, Glenda Samples, Yolanda Solis, Anna Thamez and Cynthia Wardwell. Mrs. Joe Wayne Carter is the Homemaking teacher.

Woman Chasers

When Hurricane Celia ripped a tornadic trail through Texas, rural electric systems in her path needed help in a hurry. Within hours volunteers from other rural electric cooperatives in the state were on the scene to help restore service. Many of these skilled men had followed the devastating track of such shady ladies as Audrey, Beulah, Carla and Camille. They are among the 2500 employees of 77 member-owned rural electric systems in Texas who provide a first class electric service to their own member-owners. But a neighbor called for help and they answered. It is this spirit of cooperation that has helped make the rural electric cooperatives first in service to rural Texans, Helping Texas Grow.

Ann Ford Named Princess for Baylor Homecoming

Ann Ford, a Baylor English and speech major and daughter of Mr. and Mrs. Bill Ford of Abilene, formerly of Hamlin, was one of the Homecoming princesses during Baylor's Homecoming this past weekend.

Alpha Pi Omega, a men's social service club, selected Miss Ford as their sweetheart and nominee for queen. Selection of the queen and princesses was determined by a two part judging of each of the 34 nominees on poise and personality and the appearance and originality of the float she rode in the Homecoming Parade Saturday morning.

The theme of the float was the Greatest Show on Earth featuring Miss Ford atop a large elephant complete with clowns carnival music and a whip popping ring master. Both the elephant and a ball on the nose of a seal were revolving.

The honorees were also presented at halftime of the Baylor A&M game which Baylor won 29-24.

Miss Ford will graduate in December. She is a member of Sigma Tau Delta honorary English fraternity.

Her grandparents are Mr. and Mrs. Virgil Steele and Mr. and Mrs. Joe Ford, all of Hamlin.

Mr. and Mrs. Bill Ford and Mr. and Mrs. Steele were in Waco for the Homecoming events. The Fords have another daughter in Baylor, Mary, a sophomore.

# Pipers Fall to Rotan In Spite of Good First Half

The Pied Pipers put together a strong first half here Friday night against the undefeated Rotan Yellowhammers but fell apart in the second half as the Yellowhammers rolled up a 56-14 victory.

Trailing by 12 points in the second period, the Pipers put two quick touchdowns on the scoreboard to go ahead 14-12 before Rotan scored again to lead 19-14 at half time.

The Pipers came back in the second half and moved the 46 yards in nine plays only to have Rotan pick off one of their three interceptions of the night. Another interception stopped the Pipers early in the fourth period after they had moved the ball from their own 40 to the Rotan 20.

Finding a weakness in the Pipers pass defense the Yellowhammers stayed with it and converted their first five possession in the second half into touchdowns.

Top ground gainer for the Pipers was Fullback Barry McDonald with 103 yards in 24 carries and high for Rotan was Mickey Early with 194 yards in 18 tries.

Hamlin kicked off to Rotan to get the game underway with Rotan starting play at their own 39. Aided by a 15-yard penalty, the Pipers stopped the Yellowhammers at their own 44, forcing them to punt.

Failing to make a first down, the Pipers punted back to Rotan with them returning it 40 yards to the Hamlin 20. Four plays later the Pipers took over again just outside their 10. Failing to make a first down again, the Pipers punted with Rotan returning this one to the Hamlin 36.

Early ripped off 35 yards to the one after being stopped for no gain on his first try and from this point went into score on the next try. The point after try failed.

The two teams exchanged punts and fumbles with neither team being able to put together a scoring drive until midway of the second period.

A 15-yard penalty assisted the Yellowhammers following a punt to mid-field as they started work at the Hamlin 32. Six plays later Early scored from his seven.

The point after try failed.

Milton Jones took the kick-off at his 15, raced across the field to pick up a wall of blockers and raced down the sidelines to the Rotan 15 where he was knocked out of bounds. Tailback David Willis went over his left guard for 11 yards to the 4 and McDonald carried into the middle of the line for gains of three and one for the touchdown. Doug Elliott kicked the point after.

Following the kickoff, Hamlin recovered a Rotan fumble on the Yellowhammer 25. After two incomplete passes and a five-yard gain by McDonald Jackie Warner picked up 10 yards to the Rotan 10. McDonald carried to the six, a penalty moved the ball to the three, and McDonald carried in for the score. Elliott added the point after to make the score 14-12.

But Hamlin's lead was short lived as Rotan came back to score three plays later. After a one-yard try into the line, Quarterback Walter Hargrove passed to Hank Day for 27 yards and to Early for 35 and the score. The point after try by Hargrove was good and Rotan was back out in front, 19-14.

In the second half Rotan scored on drives of 62, 61, 69, 51, and 73 yards, with Early scoring on runs of 1 and 5, Hargrove passing for touchdowns of 34 and 18, and David Springer passing for a 51-yard score.

## Freshmen Down Seymour In Final Seconds, 20-14

Snapping the ball just as the final gun sounded, the Hamlin Freshmen defeated the Seymour Freshmen on a one-yard sneak by Quarterback Jim Johnson. The six-pointer broke a 14-14 tie to give Hamlin a 20-14 win.

Quarterback Steve Mackey opened up the Hamlin scoring in the first period on a keeper and then passed to Joe Mayes for the two pointer. Seymour moved to within two points of Hamlin as they scored but failed to make the point after.

Johnson passed to Bill Cork to move Hamlin out in front, 14-6. Seymour scored again in the second half and added the two points to tie the game at 14-14.

With time running out the local freshmen moved down the field, completing a pass on the Seymour one-yard line with 12 seconds left on the clock. With no time outs left, the Freshmen ran the quarterback sneak without huddling and won the game, 20-14.
